All manuals and guidelines can be found on our [Thesis and Dissertation Guidelines page](#) under 5. Thesis and Dissertation Formatting Resources.

Please see the comments section at the bottom of the following section(s) for instructions on what specific changes must be made:

2, 3, 4, 5, 6, 7, 8, 9, 10, 11

1. Language and Title (Please see the Font and Line Spacing Manual for details and examples)

Yes	No	Required Items
☒	☐	Language defined correctly; individual parts of a multilingual document defined correctly
☒	☐	Document has a title

Comments:

None

2. Cover Page (Please see the [Cover Page Formatting Manual](#) for details and examples)

Yes	No	Required Items
☒	☐	Cover page included
☒	☐	1" margins on left, right, top, & bottom
☒	☐	Text centered on the page
☒	☐	Page is not numbered
☐	☒	Text is the same font style and size as the rest of the document
☒	☐	Cover Page is not bolded
☒	☐	All sections besides the title are single-spaced
☒	☐	Each major text section separated by at least one blank line of space
☒	☐	Title is in all CAPS
☒	☐	If title is more than one line, it is an inverted triangle ▼
☒	☐	Title is double-spaced (if more than one line)
☐	☒	Title is followed by "By" on the next line and the student's legal name on the next
☒	☐	Previous degrees listed under name
☒	☐	The text "A <> submitted in partial fulfillment of the requirements for the" is split into two lines. The line break is between "fulfillment" and "of"
☒	☐	Correct degree title listed
☒	☐	Department, School/College, and The Graduate College are formatted as a single block of text
☒	☐	Correct department name listed
☒	☐	Correct School/College name listed
☒	☐	"The Graduate College" listed under College/School name
☐	☒	University of Nevada, Las Vegas and the date are grouped together
☒	☐	UNLV is listed as "University of Nevada, Las Vegas"
☐	☒	Date is listed as the last month of the semester of official graduation (December, May, or August) with correct year
☒	☐	Copy/Paste document title into Word to check for spelling errors

Comments:

- Please ensure that the Cover Page is one page only
(see next page for further comments)

- Please ensure that only one font size is used on the cover page, and that it is the same size as the rest of the document
- Please ensure that the word "By" before your name is capitalized
- Please include the discipline in which you received your prior degrees
- Please remove Advisor information from the Cover Page
- Please ensure that "University of Nevada, Las Vegas" and the date are grouped together as a single block of text and single-spaced
- Please change the date to the last month of the semester (December 2026)

3. Table of Contents (Please see the [Table of Contents Formatting Manual](#) for details and examples)

Yes	No	Required Items
☐	☒	Table of Contents is titled "Table of Contents"
☐	☒	All required items from the organization list appear in Table of Contents
☒	☐	Styles for the levels of headings and titles are consistent in font, size, casing, etc.
☒	☐	Major sections in the text are organized as either sections, numbered sections, or chapters consistently between the Table of Contents and the text
☒	☐	Heading levels used in the table of contents are consistent between chapters (i.e., if chapter 2 uses subsections in the Table of Contents so do all the other chapters with subheadings)

Comments:

- Please ensure that the section heading reads "Table of Contents"
- Please include entries for "Abstract," "Acknowledgements," "List of Tables," and "List of Figures" in the Table of Contents
- Please ensure that entries in the Table of Contents match the heading in the text exactly (for instance, chapter titles include the signifier "Chapter" in the text, but they do not in the Table of Contents; the entry is "References" in the Table of Contents vs. "Bibliography" in the text)
- Please ensure that all subheadings in the document are formatted consistently throughout (for instance, some subheadings are title-cased, while others have only the first word capitalized, both in the Table of Contents and in the text; please review subheadings for all chapters and ensure that these are consistent throughout and the Table of Contents and the text match exactly)

4. Document Order (Please see the [Document Order Formatting Manual](#) for details and examples)

Yes	No	N/A	Document Order
☒	☐	☐	Cover Page (required)
☐	☐	☒	Copyright page (optional)
☐	☐	☒	Copyright page (optional) includes the correct date (if submitted in December, date for the following year).
☒	☐	☐	Abstract (iii) (required)
☒	☐	☐	Acknowledgements (optional)
☐	☐	☒	Dedication (optional and does not have to be listed in Table of Contents)
☐	☐	☒	Preface (optional)
☒	☐	☐	Table of Contents (required but does not need to be listed in Table of Contents)
☐	☒	☐	List of Tables (only required for 5 or more tables)
☐	☒	☐	List of Figures (only required for 5 or more figures)
☐	☐	☒	List of Schemas (optional)
☐	☐	☒	List of Algorithms (optional)
☐	☐	☒	List of Plates (optional)
☐	☐	☒	List of Abbreviations (optional)
☒	☐	☐	Text (1) (required)
☐	☐	☒	Appendix (Appendices) (optional)
☐	☒	☐	Bibliography/References (Required - can be placed at the end of the document or the end of each chapter depending on the student's style guide. This can be omitted for Creative Writing students.)
☐	☒	☐	Curriculum Vitae (required)

Comments:

- Please ensure that the List of Tables appears before the List of Figures, both in the text and in the Table of Contents, and update page numbers in the Table of Contents accordingly; please also ensure that they are named "List of..."
- Please ensure that the Bibliography appears before the Curriculum Vitae, both in the text and in the Table of Contents, and update page numbers in the Table of Contents accordingly

5. Margins (Please see the [Margins and Page Numbers Formatting Manual](#) for details and examples)

Yes	No	Required Items
☒	☐	1" margin on the left for all pages
☐	☒	1" margin on the right for all pages
☒	☐	1" margin on the top for all pages
☒	☐	1" margin on the bottom for all pages
☒	☐	No blank lines of space created by hitting "Enter" between or after paragraphs, tables, or figures; layout tools must be used to create space
☐	☒	All chapters and major section titles start at the same point on the page

Comments:

- Please ensure that all equations and code in appendices as well as text in the References section and Curriculum Vitae fit within the 1" margin on the page
- Please remove the title before the heading "Abstract," so that the heading appears at the same point on the page as all other major section headings and chapter titles

6. Page Numbers (Please see the [Margins and Page Numbers Formatting Manual](#) for details and examples)

Yes	No	N/A	Required Items
☒	☐	☐	Page numbers are used
☒	☐	☐	All page numbers are bottom center
☒	☐	☐	No page number on Cover Page
☐	☐	☒	No page number on Copyright Page
☐	☒	☐	Abstract starts on page iii
☐	☒	☐	All front materials after the Abstract but before Chapter 1 are numbered with lower case Roman Numerals (e.g., iii)
☐	☒	☐	Arabic Numerals are used starting on the first page of the first chapter or section. The first page begins with 1
☒	☐	☐	No blank pages found in the document

Comments:

- Please ensure the Abstract begins on p. iii, and update the Table of Contents accordingly (p. ii will be the Approval page, which will be inserted after you have received format approval from the Graduate College)
- Please ensure that all front materials use Roman numeral page numbers
- Please ensure that Chapter 1 begins on p.1, and please update the Table of Contents accordingly; for further help with this, please see the Margins and Page Numbers manual linked at the beginning of this section

7. Tables and List of Tables (Please see the [Tables and List of Tables Formatting Manual](#) for details and examples)

Yes	No	N/A	Required Items
☒	☐	☐	Are there any tables in the document? If not, select N/A and skip to the next section.
☒	☐	☐	All tables are numbered
☒	☐	☐	All tables have titles
☐	☒	☐	Tables include a header row
☒	☐	☐	Tables are clearly delineated from the text on all sides
☒	☐	☐	All tables smaller than one page are embedded on one page or in the appendix
☐	☐	☒	All tables larger than one page in the text are neatly and reasonably split (no split rows)
☐	☒	☐	Tables do not include empty cells or merged cells
☐	☐	☒	Items formatted in landscape are on a page that is formatted to landscape with the page number bottom center on the page
☒	☐	☐	Are there five or more tables in the document or a List of Tables in the document? If no, select N/A and skip to the next section
☒	☐	☐	List of Tables included in the document and Table of Contents
☒	☐	☐	Heading and spacing of List of Tables matches Table of Contents
☒	☐	☐	If ellipses are used in Table of Contents then ellipses are used in the List of Tables and vice versa

Comments:

- Please ensure that tables include header rows; please follow these [instructions](#) to add a header row in Adobe, and ensure that all tables are tagged as tables properly
- It appears that Table 5.3 may have an empty cell; if this is the case, please write "N/A" or "-" in the cell

8. Figures and List of Figures (Please see the [Figures and List of Figures Formatting Manual](#) for details and examples)

Yes	No	N/A	Required Items
☒	☐	☐	Are there any figures in the document? If not, select N/A and skip to the next section.
☒	☐	☐	All figures are numbered
☐	☒	☐	All figures have titles
☒	☐	☐	Figures are clearly delineated from the text on all sides
☒	☐	☐	All figures are embedded on a single page or in the appendix
☐	☐	☒	Items formatted in landscape are on a page that is formatted to landscape with the page number bottom center on the page
☐	☒	☐	All figures and images in text and appendices are labeled with appropriate alternative text
☒	☐	☐	Color contrast of embedded text in figures is sufficient to meet accessibility standards
☒	☐	☐	Are there five or more figures in the document or a List of Figures in the document? If no, select N/A and skip to the next section
☒	☐	☐	List of Figures included in the document and Table of Contents
☒	☐	☐	Heading and spacing of List of Figures matches Table of Contents
☒	☐	☐	If ellipses are used in Table of Contents then ellipses are used in the List of Figures and vice versa

Comments:

- Please ensure that labels in the List of Figures and in the text are formatted consistently throughout (for instance, some figures are title-cased, while others have only the first word and proper nouns capitalized, both in the List of Figures and the text; these must be formatted consistently throughout and the List of Figures must match the text exactly)
- Please add descriptive and useful alternative text for each of your figures in the PDF version of your document; please note that screen readers do not “see” text inside a figure/image and cannot read it

9. Curriculum Vitae (Please see the [Curriculum Vitae Formatting Manual](#) for details and examples)

Yes	No	Required Items
☒	☐	Labeled "Curriculum Vitae"
☒	☐	Last item in document
☒	☐	Listed in Table of Contents
☒	☐	Numbered in sequence with the rest of the document
☐	☒	Does not include personal address/telephone information (UNLV information is fine)
☒	☐	Provides some form of contact information so peers and other researchers can contact individuals regarding their work. We encourage you to use a non-UNLV email address, because you lose access to this email address after 2-3 years.

Comments:

- Please remove personal address and phone number from Curriculum Vitae unless it is a GoogleVoice number (if this is a GoogleVoice number, please label this)

10. Text (Please see the [Font, Spacing, and Language Accessibility and Formatting Manual](#) for details and examples)

Yes	No	Required Items
☐	☒	No editing marks present in text
☒	☐	No headers
☒	☐	No footers
☒	☐	All major sections, including chapters and appendices, must start on a new page (please see Section 3 of this checklist for a list of major sections)
☒	☐	All text with the exception of text found in figures, images, or appendices is in black
☒	☐	Hyperlinks in text and appendices contain descriptive links rather than the web address
☐	☒	References/Bibliography section does not contain hyperlinks for web addresses of sources (URL is written out but not linked)
☒	☐	All sections are double-spaced (The only exceptions are: captions; foot-notes; long quotations; bibliographic references; table titles and descriptions; figure titles and descriptions; inserted materials such as tables, images, diagrams, graphs, etc.; and the author's Curriculum Vitae)

Comments:

- Please ensure there are no brown or purple boxes around bookmarked text in the document
- Please remove hyperlinks from URLs in the Bibliography

11. Font (Please see the [Font, Spacing, and Language Accessibility and Formatting Manual](#) and the [Headings & Subheadings Manual](#) for details and examples)

Yes	No	Required Items
☐	☒	Font style consistent throughout document (only one font, i.e., Times New Roman, Garamond, Arial, etc.)
☒	☐	Font size consistent throughout document text
☐	☒	Major section headings and chapter and appendix titles are the same size, font, justification, and style
☒	☐	Headings are marked as headings correctly (Title is H1; major section headings such as Abstract, Table of Contents, etc., are H2; etc.)

Comments:

- Please ensure only one font is used throughout the document, except for code in the appendices; please see the Font manual above for further guidance
- Please ensure that the heading “Abstract” is aligned left and the same font size as other headings so that it is consistent with all other major section headings (those found in section 3 of this checklist and chapter/appendix titles)
- Please ensure that headings are marked as headings correctly in the PDF’s tags (for instance, please ensure that the Title on the Cover Page is H1, all major section headings such as Abstract, Table of Contents, etc., as well as each chapter title, are H2; first-level subheadings are H3, etc.); you can right-click on the tag, choose Properties from the menu, and change the Tag Type from Paragraph to Heading Level 1 or Heading Level 2, etc., respectively)

For Office Use Only (LC/JS)

Yes	No	Required Items
☐	☐	PDF is tagged properly and has a logical reading order
☐	☐	Tables are tagged as tables properly and have a logical reading order
